633: Houston Center, good afternoon, 633 9,000 for 13,000

14. Houston Center: 633, Houston Center, roger,
_____NEWLA (NLD)
15. Houston Center: 633 _____

Houston Center

American 1159: Ok, we'll press on and head then it looks probably 80 to 90 miles and then we come in to the west

16.Houston Center: American 1159 _____

American 1159: ok thanks, we are going to start down straight ahead and take a look at it, and if we need to come west, we go around the west into it, we'll let you know.

Houston Center: ok sounds good

633: Houston Center, good afternoon 200 for 230 [FL]

17.Houston Center: 633, Houston Center, _____

18.Houston Center: American 1159 _____

Jetlink 4248: Center, good afternoon, Jetlink 4248 370 [FL]

Houston Center: Jetlink 4248, Houston Center roger

19.Houston Center: and Jetlink 4248 _____

[blocked]

Pilot: and 370 we need left deviations for weather

20.Houston Center: I blocked _____

Southwest 612: ready to copy Southwest 612

21.Houston Center: Southwest 612 _____

22.Houston Center: _____, is that

American 110?

American 110: yeah checking in 370 a left deviation for weather

23.Houston Center: American 110 _____

GLEN ROSE9 arrival, maintain flight level 370

24.Houston Center: Costera 2301 _____

25.Houston Center: XA-UES _____

26.Houston Center: Southwest 1153 _____

27.Houston Center: Jetlink 4248 _____

Jetlink 4248: yeah go ahead

28.Houston Center: Jetlink 4248 _____

Jetlink 4248: is one heck of a re-route but we'll check our fuel here

Houston Center: ok let me know

29.Houston Center: Southwest 612 _____

Jetlink 4248: was it HOMRN after CENTEX for Jetlink 4248?

30.Houston Center: Jetlink 4248 _____

31.Houston Center: Jetlink 4248 _____?

Jetlink 4248: we are checking here really quick, shouldn't be an issue

Houston Center: ok

32.Houston Center: Southwest 1153 _____

33.Houston Center: American 1110 _____

Jetlink 4248: Center, Jetlink 4248 no problem there

Houston Center: Jetlink 4248 thanks

Jetlink 4248: and Center, Jetlink 4248 if we can, for planning, we just like to stay at this altitude at 37 as long as possible, we are in the

clear, well a little bit, continuous light, but it looks like if we go down it would be worse

34. Houston Center: Jetlink 4248 _____

Jetlink 4248: ok thanks

Galaxy 200VR: Hello Houston, Galaxy 200VR is checking in 370

Houston Center: Galaxy 200VR, Houston Center, good afternoon

Jetlink 4340: Hey Houston good afternoon, Jetlink 4340 370 [FL]

35. Houston Center: Jetlink 4340, Houston Center, _____

Jetlink 4340: alright heading 320 and we are ready to copy when you get it

36. Houston Center: Jetlink 4340 _____

Jetlink 4340: that looks good for us here, we were going to ask you about that here in one second anyways, so 320 heading, and we are ready when you get it

Houston Center: alright

Jetlink 4345: Center, Jetlink 4345 370 [FL]

37. Houston Center: Jetlink 4345, Houston Center _____

38. Houston Center: N200VR _____?

Galaxy 200VR: we can do 38 for now

39. Houston Center: ok, _____

40.Houston Center: N200VR _____

41.Houston Center: Jetlink 4345 _____

Jetlink 4345: Jetlink 4345 go

42.Houston Center: Jetlink 4345 _____

Jetlink 4345: San Antonio, CENTEX, HOMRN, and we'll do the RIICE arrival, are you sure is not BAZBL?

43.Houston Center: _____ for HOBBY

Jetlink 4345: roger, ok, 4345 we'll do that 370

44.Houston Center: 633 _____
